The IIA has two nominating committees. The North American Nominating Committee meets in early November 2017 to select the slate of nominees for the North American Board and the District Advisors and Representatives. The Global Nominating Committee meets in late November 2017 to select the slate of nominees for the Board of Directors and Internal Audit Foundation Board of Trustees. Committee Chairs are appointed in December 2017 by the Chairman of the Board Nominee and help select the members to serve on their committees. Committee appointments are completed in February, with committee terms beginning in April or May 2018.

OFFICERS AND BOARD PROCESS

The IIA’s Global Nominating Committee meets in November 2017 to select a slate of officers and Directors-at-Large, and to confirm Board candidates for North America and the selected Affiliates. Officers (Executive Committee) serve one-year terms and all directors serve one or two-year terms. Note that approximately half of the Board positions are selected each year. All officers and Board Members, except the Chairman of the Board, may stand for re-election, but may not hold the same position for more than two full consecutive terms.

AFFILIATE DIRECTORS

The 10 Affiliates which have seats on the board are determined by the average number of members and the average affiliate revenues over a two-year period. The calculations are revisited in every even year. The Affiliates recommend their candidates who are confirmed by the Global Nominating Committee.

NORTH AMERICAN DIRECTORS

Members in North America (NA) are asked to submit candidates for the open NA positions on the Board. Note that NA Directors also serve on the North American Board, which oversees NA activities. The IIA’s North American Nominating Committee recommends a final list of NA candidates for the Board of Directors to the Global Nominating Committee.

ANNOUNCEMENT OF SLATE

The slate of officers and board nominees is announced to the members via the website or electronic communications at least 120 days before the Annual Business Meeting (ABM). Candidates are elected during the ABM, which will be held in May 2018 in conjunction with The IIA’s International Conference.

INTERNAL AUDIT FOUNDATION PROCESS

The IIA’s Global Nominating Committee recommends the slate of candidates for the Internal Audit Foundation Board of Trustees. The slate of trustee nominees will be presented to the Internal Audit Foundation members for election in May 2018.

The President of the Internal Audit Foundation is also the Vice Chairman of the Board – Research, and is elected by The IIA membership.

IIA COMMITTEE PROCESS

The Chairman of the Board works with the vice chairmen of the board nominees and the committee chairmen to review candidates for committees. Efforts are made to ensure that each committee has a broad cross-section of members. Certification, geographical representation, industry, experience, skills, and any specific requirements of the committee are taken into consideration.

New committee members are appointed in February to fill terms beginning in May. The committee meetings are usually held twice a year, with the first meeting immediately following the International Conference in May and the second in Orlando, FL, USA in November/December. Terms are for one to three years, although committee chairmen may drop members who have not effectively contributed to committee work. Appointments may also be made to fill vacancies.

For committees designated as North American (NA), the Chairman of the North American Board works with the vice chairmen and committee chairmen to select the members of their committees. Some NA committees may meet in conjunction with the Annual Leadership Conference in April instead of the International Conference. All committees meet together in Orlando in November/December.

NORTH AMERICAN BOARD PROCESS

The North American Nominating Committee meets in November to select a slate of candidates to serve as officers and members of the North American Board. The slate is announced in late December and elected by the North American membership during the Annual Leadership Conference in April. These same candidates are elected to the Global Board of Directors by the global membership in May.

DISTRICT ADVISOR AND DISTRICT REPRESENTATIVE PROCESS (NORTH AMERICA ONLY)

The NA Nominating Committee selects the slate of candidates for the open District Advisor and District Representative positions in North America. District Advisors and District Representatives serve on the Chapter Relations Committee (CRC).

The slate of North American District Advisor and District Representative Nominees is announced to members via The IIA website and candidates are elected during an annual North American Membership Meeting held in April in conjunction with The IIA’s annual Leadership Conference. The CRC meets at the April Conference and again in Orlando in November/December.
All nominations must be completed online and may be accessed by going to: www.theiia.org/volunteernow

You will need to log in using your email address or member ID number and password. Forms must be submitted by October 2, 2017 to be considered for the 2018–2019 year. Candidates selected will begin terms of office in April or May 2018.

NOTE: All candidates will receive a final status letter by February 23, 2018.
