VISION
To be a vital resource for impactful Internal Audit and related Stakeholder research, educational materials and practice insights.

MISSION
To shape, expand and advance knowledge of internal auditing by developing and disseminating timely, relevant information and insights that address the needs of our Stakeholders globally.
Focus is on its four main goals to:

• Provide knowledge and insights
• Select timely and relevant topics
• Produce alternative delivery models
• Deploy sustainable business models
• Stay ahead of ever-changing regulations and keep abreast of best practices.
• Exist to help audit leaders, practitioners, students, and academics experience continuous growth in their careers.

Relying solely on the generous donations of our contributors and sponsors.
Ways You Can Provide Financial Support

• Donations – Support studies, research grants, or funds.
• Corporate Matching Gifts Program – Increase, or even double, the value of your contribution.
• Sponsorship Opportunities
• Planned Giving
What Your Contributions Support

- **Research Projects** – Produce and deliver timely materials, including free downloads.
- **Global Internal Audit Study** – Conduct the most comprehensive global internal audit study.
- **Grants and Awards** – Encourage undergraduate, graduate, and doctoral study of internal auditing.
- **Academic Resources** – Promote internal auditing study at post-secondary institutions worldwide.
