Founded for the development of the internal audit profession in accordance with the relevant standards, IIA–Turkey (TİDE) was established Sept. 19, 1995.
Institute Milestones

• 1997: Introduced The Annual Congress of Internal Audit
• 2001: Launched Award Winning İç Denetim Dergisi (The Internal Audit Magazine)
• 2000 & 2004: Host institute for Europe Internal Audit Conference

• 2009: Inaugurated an Academic Relations Committee (ARC)
  • ARC aims to encourage academic studies about internal auditing and develop academic relations.
  • 2010: ARC unveiled its biennial Academic Forum
Successful Initiatives
Academic Forum

Collaborative meeting with internal audit professionals and educators to identify the pertinent skill sets of those coming into the profession and the ongoing training needs of current professionals.

• Annually, the academic papers and conference presentations are published by TİDE.
• The 2012 forum produced the translation of The IIA Research Foundation publication, *Auditing Social Media: A Governance and Risk Guide*. 
Successful Initiatives
Galatasaray University “Audit School”

• Information exchange platform for students to meet industry leaders internal audit and external audit.

• Six day conference with content-driven sessions focused on:
  - Internal Audit
  - External Audit
  - Risk Management
  - Internal Audit in the Public Sector
  - Legal Dimensions of Audit
  - Audit Career Planning and Management
Successful Initiatives
A Look in Internal Audit – Student Competition

• Annual topic driven competition for students (undergrad and graduate) with an interest in the internal audit profession
• Students must respond to a given topic by creating audit tools through creative and visual expression
  – Submission accepted as:
    • Slogans
    • Drawing or Photographs
    • Short Movie (up to 3 min. in length)
TİDE GO (IIA–Turkey Future School) is a four-part orientation program to raise awareness of profession and prepare university students for the future.

Program Components:
I. First Steps to the Future Program
II. Young Leader Evaluation Program
III. New Graduates – Career Management Program
IV. New Employees – Future Management Program
TİDE–ARC
Ongoing Strategies and Planning

• Bridge the gap between CAE and stakeholders’ expectations with professional training and certification available in internal audit
• Continued development and enrichment of internal auditing training programs
• Develop and improve publication of professional academic research
• Increase students’ professional awareness
