

## Information about the candidate

Candidate's name (Please Print):

\_\_\_\_\_  
 (Last Name) (First Name) (Middle Initial)

Candidate's IIA ID Number: \_\_\_\_\_

The individual named above has applied to Qualification in Internal Audit Leadership (QIAL) and must submit a completed, verified copy of this form in order to satisfy the experience requirement, as outlined below, depending on the Program Pathway (please check ONE of the following):

### Program Pathway 1:

**Aspiring leader:**

- Has a minimum of five years of internal audit experience or equivalent

**New AE:**

- Has a minimum of 10 years of general management experience and is currently an AE, or
- Has a minimum of 15 years of general management experience and is currently an AE

### Program Pathway 2:

**Experienced AE or equivalent:**

- Has a minimum of 10 years of general management experience including at least three out of the last five years as AE, or
- Has a minimum of 15 years of general management experience including at least three out of the last five years as AE

**Experienced instructor:**

- Has a minimum of 10 years of experience as an instructor of senior practitioners in internal auditing or engaged in postgraduate academic research in internal auditing or related subjects, or
- Has a minimum of 15 years of experience as an instructor of senior practitioners in internal auditing or engaged in postgraduate academic research in internal auditing or related subjects

“Internal audit experience or its equivalent” means experience in audit or assessment disciplines, including internal auditing, external auditing, quality assurance, compliance, and internal control.

“General management experience” means being in a position of responsibility for staff, planning, quality, budgets, or other resources.

“Audit Executive (AE)”

... describes a person in a senior position responsible for effectively managing the internal audit activity in accordance with the internal audit charter and the Definition of Internal Auditing, the Code of Ethics, and the International Standards for the Professional Practice of Internal Auditing. The audit executive or others reporting to the audit executive will have appropriate professional certifications and qualifications. The specific job title of the chief audit executive may vary across organizations. (Taken from the Glossary of the International Professional Practices Framework).

This is interpreted to identify the individual who is accountable for the internal audit activity in respect of:

- |                                   |                                   |   |
|-----------------------------------|-----------------------------------|---|
| <input type="checkbox"/> Strategy | <input type="checkbox"/> Planning | <input type="checkbox"/> Reporting, and |
| <input type="checkbox"/> Policy   | <input type="checkbox"/> Delivery | <input type="checkbox"/> Quality        |

In some organizations there may be more than one person who satisfies this definition, especially in large organizations. Responsibilities may be delineated by division, department, geographical region, or similar segmentation. Please complete the following section with experience information.

Please complete the following section with experience information. Use additional forms if needed.
