Leadership Series II:
Peak Performance

About This Course

Course Description
In today’s commoditized surplus economy, where customers have more choices than ever, what will it take to ensure your products and services are memorable? Learn how to awaken the “whatever it takes” attitude, belief, resolve, perseverance, confidence, determination, drive, and creativity to achieve what matters most to you, your team, and your organization.

Who will benefit from this course?
This course will benefit internal audit practitioners who want to develop into well-rounded leaders, and it is applicable for any industry. The key topics cater to the growing needs that are a result of increased auditor involvement in organizations worldwide and industrywide. The course identifies the dynamics of leadership styles, effective communication, productive relationship management, quality decision-making, and more.

Course Objectives
- Arouse a sense of purpose and passion among your employees.
- Understand why many individuals, teams, and organizations are losing in the new world of work.
- Build, enhance, and grow your desired ‘brand’ – organizationally and individually.
- Discover the essential tools in the ‘New Work Survival Kit.’
- Cultivate a workforce that is connected and aligned, and that delivers your ‘brand promise.’
- Capitalize on the untapped potential of your existing top-talent.
