The IIA’s *Internal Auditor* magazine is an award-winning journal and consistently ranks among the top trade magazines in Florida. Most recently, the magazine received 11 awards, including first place in Best Overall Writing, Best Overall Design, Best Department Design, and Best Feature Design.

This magazine consistently ranks as a top benefit of IIA membership by internal auditors who say it helps them stay current in the industry, and stay apprised of innovations and developments that impact auditors from all industries. Likewise, it is a valuable resource for business students and those interested in topics relevant to internal auditing.

Offering one or more subscriptions to be used by a class or to be included in the college library is an excellent way to promote the profession of internal audit.
